

## Talia Trust Newsletter September 2009

School went back last week, with most children beginning the new school year on 1<sup>st</sup> September. We expect the projects that have been successfully developed over the past four years to continue and no doubt we will be approached, as usual once the festival season is over, to consider new urgent cases-either group or individual. It takes a while for a teacher to realize a new child is not keeping up with his peers and to then refer him to a counselor.

Our role in the waiting period that is called here "before and during the haggim" is to organize sufficient resources to cover current needs and have something left over for the emergencies.

So September is the time we send out our annual Rosh Hashanah appeal overseas and a follow-up to the Purim appeal here in Israel.

Then its "all stations go" for our big **annual Talia Trust event**, scheduled this year for **Friday October 9<sup>th</sup>**, Hashanah Rabba, from 9.30 to 14.00 at a new venue in the **Carmel Forest**, "Mishmar HaCarmel". The date has been chosen by special request of our younger supporters situated on Road 721, 1 km west of Bet Oren.

This event, which has developed from the first sponsored walk in memory of Talia, has become a happy family happening, the kind of day Talia would have enjoyed. **Last year** we were happy to see her friends with babies of their own who enjoyed the equipment for toddlers, while older children, such as her nephews, loved the adventure climbing, rope park, drum circle and historical make-believe game. See:

**This year**, too, we are planning some exciting and adventurous activities as well as arts and crafts organized by the teachers and therapists from the Haifa Learning Centre at Kiryat Haim, which will benefit from funds collected that day. We are also planning short hikes and other physical activities for parents and other adults. Entrance, including use of the centre's facilities, will be 25 shekels. . In this way we hope to organize something enjoyable at a price everyone can afford

Everyone at the Talia Trust wishes its supporters a happy, healthy and peaceful new year and may we all see many more children benefitting from the extra help which
